### Business Case Competition

The Business Case Competition is an all day competition hosted by the Adam Smith Economics Society and supported by the Adam Smith Business School. It is an opportunity for the school's **brightest students** to compete in teams of 4 and present a business case in front of a panel of judges. A total of **48** from **114 students** are selected through an application process, which includes resume submission and a case study to solve and present.

### Adam Smith Gala

The Adam Smith Gala is a formal event that showcases student-led initiatives within the Business School. Taking place in the Hunterian Museum, the event will figure guests **Sir Anton Muscatelli, University Principal and Vice-Chancellor**; Professor Anne Anderson, Vice-Principal and Head of College; Professor Ian MacNeil, Head of Law,

### Alumni Networking event

Yearly we welcome back some incredible Alumni to give an overview of their careers since leaving the University. As well as this, they will be answering questions and providing advice on everything from employment prospects to University life! Previous alumni include **Colin Garland** Director of the UK Competition and Market, **Dave Fenton** Chief Economist at TSB bank, **Mark Smyth** Head of Prudential risk at Sainsbury's bank and many more.
